Conference Program

Second Announcement of CIE 2008

Dear Ladies and Gentlemen,

The organizing committee warmly invites you to participate in "Clean and Available Energy", the 14th Conference of Energy Engineering to be held May 29 to 30, 2008, Baile Felix (near Oradea), Romania.

The 14th Conference of Energy Engineering, will be organized by:

- University of Oradea, Energy Engineering Faculty
- SIER "Societatea Inginerilor Energeticieni din România" - Society of power engineers from Romania
- SDEE Oradea "SC Filiala de Distribuție a Energiei Electrice, "Electrica DISTRIBUTIE Transilvania Nord" SA, Sucursala Oradea - Urban Power Distribution Network - Branch of Oradea
- SFEE Oradea - SC Filiala de Furnizare a Energiei Electrice, "Electrica FURNIZARE Transilvania Nord" SA, Sucursala Oradea - Urban Power Supply Network "Branch of Oradea
- AISE Oradea "Agentia de Țntretinere si Servicii Energetice Oradea - Agency of Energy Maintenance and Services Oradea
- SC ELECTROCENTRALE DEVA SA "Centrala Termoelectrica Mintia Deva

The scientific/technical presentations and discussions will cover the very last challenges of the following themes:

- System reability and power service quality
- Renewable sources of energy. Sustainable power technologies
- Electric power systems analyze.
- Energy market. Management of the power systems

Â Â Â

Many of themes are highly interdisciplinary to encourage dialogue between researchers and industry experts, in diverse fields, connected to production, transmission and distribution of power.

Our special guest with invited papers will be:

Gleb Dragan
Fiodor Erhan- Moldova

Hermia Albert
Kiril Popovski-Macedonia

Anatolie Carabulea
Puica Nitu- Canada

Vaida Victor
Â

The official languages of the conference will be Romanian and English.

The abstracts and full papers will be written in English and the submissions will be only via e-mail.

The participants could also make the online registration (link): <http://www.energy-cie.ro/content/view/38/61/>

The abstract submission process is now open: energy_cie@yahoo.com

The abstract must be written in English, on a single A4 page, containing: title of paper, full name and addresses of the authors (including e-mail for the contact author), abstract, 5 keywords, bibliography.

Deadline for full paper with accompanying summary, on the same submission e-mail addresses, is 20 April at the latest. After reviewing process, the contact author will get a second notification, by 1 May at the latest..

The specified template for the abstract and full paper (instruction for authors) could be accesed on the conference site: www.energy-cie.ro

The participation fee is 200 lei (RON) and include: the conference proceedings, lunch and festive dinner for Thursday, 29 May. Information about fee, accommodation, others will be found attached to this mail or on the CIE site.

The CIE Proceedings, under the name of "Annals of the Oradea University Fascicle of Energy Engineering", is one of the first five national publications in the field of energy, recognized by CNCSIS (the National Authority for Scientific Research)
